Mapping Transitions to Your Child's Future

- ❖ As a mother of a 20-year-old son with autism, Keri uses her wit and insight to engage & enlighten you.
- ❖ Keri provides "free & low cost strategies" for creating a written plan of action to help you achieve the best possible future for you and your child.
- ❖ She offers "power tools" designed for parents and professionals to use immediately to develop social skills, life skills, and future planning.
- ❖ You will leave with the ability to embrace the child you have, raise your expectations, and experience your child exceeding your wildest dreams.
