Stay tuned for more details in next month's Calendar!

one 2 one Program

*one 2 one is a recreational group for kids (ages 6-21) with special needs. The child must be registered in the program to attend one 2 one activities. Please call Parent to Parent for information.

*Teen Club: Social group for teens (ages 13-21) with special needs. **Must be registered in the one 2 one program.** Please call for information. (Group meet from September to May).

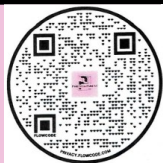

*Sibshops: A support workshop for siblings (ages 6-17) of children with special needs. **Must be registered in Sibshops.** Please call for information. (Program runs from September to May).

Autism parent group (ASD): For parents/caregivers raising children with Autism; or children who experience social, emotional, communication, and/or behavioral concerns. (Diagnosis not required to attend).

Valley Parents: Community socials for parents/caregivers raising children with special needs. (We alternate each month having family vs. parent socials.)

While You Wait: Classes to support families while they wait for services, focusing on topics related to raising children with special needs. Come learn helpful tips; tools and information that can help NOW!
